By Charles A. Beard : An Economic Interpretation of the Constitution of the United States section 1 all legislative powers herein granted shall be vested in a congress of the united states which shall consist of a senate and

house of representatives the journal of criminal law and criminology; gun control and economic discrimination the melting point case in point by t markus funk An Economic Interpretation of the Constitution of the United States:

4 of 4 review helpful Poor quality Kindle edition By DK The book itself is an intriguing look at the Constitution as well as the early 20th century view of the body politic It s a shame that the Kindle edition reviewed here was such a poor copy Do not go Kindle with this one People buying a paper back copy had a much easier time reading the material and understanding the footnotes Something lost in the Kindle edition In this famous study the author turned the hagiography of many earlier American historians on its head Unlike those writers who had stressed idealistic impulses as factors determining the structure of the American government Beard questioned the Founding Fathers motivations in drafting the Constitution and viewed the results as a product of economic self interest Brimming with human interest insights and information every student of American history will From Library Journal In this 1913 volume Beard the founder of the New School for Social Research contends that the Founding Fathers included a clear strategy for Colonial economics in the writing of the Constitution A staple for history and economics collect
